

SPECIALS & FINE WINES

Gordon's Wine Bar has always been known for its "blackboard wines" - a fantastic selection of wines outside of the main list. We are very proud and excited to now bring to you our very first curated list of Specials and Fine Wines. Having travelled extensively around Europe, we have managed to secure exclusivity in the UK market for some of these fabulous wines. Some will be well known, while others are unexplored wines - giving us the perfect opportunity to bring to you new grapes and producers.
