November 2018

Dear Gordon's Customer,

We hope you will be joining us in celebrating this New Year's Eve and we look forward to welcoming back all our lovely regulars! As always we will have the bubbly ready and waiting, the Vacherin cheese will be on the menu and stunning views of the fireworks from the terrace. Our promise stands: no entrance fee, no booking required and great prices. So join us from 11 am until 1 am for a Gordon's New Year's Eve.

Due to the London Fireworks on New Year's Eve there will again be some access restrictions in place in central London. A lot of the roads and bridges surrounding us will be closed from 2 pm onwards (please check the [TfL website](#)) so we recommend travelling by foot or public transport. Embankment Street station will allow customers to arrive and exit only until 00:15, when it will then be open for customers to leave the area. Our advice is to **access Villiers St from the Strand via Adam St and John Adam St. Please see the map below.** The north end of Villiers St will be closed from 8 pm but you can still get on to Villiers St throughout the evening via the route shown on the map.

Please ensure that you bring along this letter with you to show you are a genuine customer and make sure you show it to the Jack Morton street stewards – not the police. They will allow you to get through the security accordingly and help you navigate the restricted areas. We look forward to celebrating the New Year with you!

Best regards,
